The Second Stage of the NMAT Admission Process 2024

The second stage of the MBA selection process will be conducted offline at NMIMS Mumbai Campus. It includes a computer-based Written Analytical Test (WAT), WATSON Test, and Personal Interview (PI).

You will receive the Call Letter for the process on your NoPaperForms dashboard. You must submit the WAT & PI invite form and make the payment. After payment, "Book your WAT/PI slot" will appear on your dashboard. Please choose the date and session for your WAT/PI process.

Please note: Each session has limited seats. You should book another slot if your first preference is not available. No rescheduling requests will be entertained.

On the day of the WAT/PI:

Briefing: Prof Anupam Rastogi/ Manisha Sharma will brief you about the WAT, WATSON & PI process and salient features of an MBA from NMIMS University.
