

## **SVKM's NMIMS**

School of Business Management

**MBA Healthcare Management** Programme Batch 2022

### **Information Handout**

**Introduction:** The MBA (HCM) is a multi-disciplinary professional programme focused at preparing future health care executives for management and leadership positions dedicated to building and managing health care systems and organizations aimed at delivering quality health service delivery across all sectors. The program seeks to present a deep immersion of the healthcare sector with a global focus, identifying providers' trends and issues. The program is especially useful to young graduates having interest in managerial and leadership positions within hospitals and health systems, health insurance industry, health policy, and healthcare consulting firms.
