

Legacy of NMIMS

In 1981, Shri Vile Parle Kelavani Mandal (SVKM) established Narsee Monjee Institute of Management Studies (NMIMS) to meet the growing demand for management education.

The consistent academic quality, research focus, faculty from top national & global institutes and strong industry linkages at NMIMS have placed it amongst the nation's prime centers of educational excellence & research. In 2003, NMIMS was declared a deemed-to-be university under section 3 of the UGC Act 1956 and Category-I in Graded Autonomy Regulation, 2018 by UGC/MHRD. With the legacy of 41 years, NMIMS has grown to being not only one of the top-10 B-schools in India but also emerged as a multi disciplinary University with eight campuses at Mumbai, Navi Mumbai, Indore, Shirpur, Dhule, Bengaluru, Hyderabad & Chandigarh.

Today more than 17000 students and 750 full time faculty members are part of India's most sought after academic community i.e. NMIMS.

School of Business Management

School of Business Management's (SBM) goal is to provide a life changing experience to all those who join its programs. This is sought to be done through a relevant management curriculum and development of skill sets required by an individual to serve the industry and society as managers, business leaders or as entrepreneurs. It believes in developing leadership and decision-making capabilities of its graduates and hence the emphasis is on simulating the real life situations that participants are expected to face once they graduate from the business school. Today SBM is one of the top 10 AACSB accredited business schools in India. NMIMS School of Business management has been ranked amongst Top-100 Global B-School by FT MIM 2022.

Vision

To be a management school of academic and research excellence that develops transformational leaders for an inclusive and sustainable world.

Mission

The NMIMS School of Business Management nurtures transformational leaders who can responsibly create stakeholder value with integrity by navigating the ever-changing world of business using critical thinking skills, analytical skills, entrepreneurial mindset, people proficiency and, technology orientation. The school enables a research environment to develop tools and concepts for the advancement of management theory and practice.

Goals
