9.1.1 The Comprehensive Batch Preparation Program is to enhance the suitability of candidates and orient them to industry practices and expectations.

9.1.1.1 Interactive sessions with alumni/industry experts in various profiles that help students to gain clarity on role/fit, understanding expectations of the company, future prospects - career evolution, right approach for cracking interviews, listen to first-hand experience & get a feel of life in a particular profile etc.

9.1.1.2 Interaction with seniors who have undergone internships in companies.

9.1.1.3 Assigning seniors or alumni as mentors to guide students.

9.1.1.4 Mock interviews with alumni/corporates to get a direct feedback from people in relevant industries.

9.1.1.5 Guest talks and workshops on various topics from corporates.

9.1.1.6 Resume building as per guidelines

9.1.1.7 Soft skills training etc.

9.1.2 Prior to the commencement of the selection process it is expected that students should be having a fair idea about their interest, sector, and specialisation or at least have some long term vision of where they want to be and should direct their efforts accordingly. A bit of clarity will help students land a good internship/job.

9.1.3 Hence students should do a thorough research about the company, the business, the sector, other players in the sector, the financials, etc. and be prepared with a background and fact file prior to the process. Also some additional information – the number of interns/recruits in the past, whether the company has a PPO policy, the roles offered, the experience of seniors who interned with the company etc. will be of help.

9.1.4 The Placement Office also involves companies in a number of Campus Engagement activities – contests, projects, workshops, seminars, guest talks etc. that would benefit a larger number of students and also help in promoting the excellent quality of the batch.

9.1.5 Based on the guidelines, students will have to prepare their resume that would encapsulate info about academics, work experience, internship, co-curricular activities, extracurricular activities, projects, awards, achievements, hobbies etc.

9.2 Pre Placement Talk – PPT

PPT's are a medium wherein the company officials disseminate information regarding the company, the profile, the compensation etc. and clarify the queries of students. The company officials invest time and effort to disseminate info and the interactive session will make them feel visiting our campus was worth it. Hence students are requested to participate and ask relevant questions.

9.3 Internships/Projects

9.3.1 The Placement Office makes all efforts to reach out for internships across varied sectors, companies and profiles. Based on one's interests and capabilities one should seek internships. Choosing the correct company for internships and performing up to the mark is of utmost importance.

9.3.2 The Internships are not only a window to the corporate world but also a relationship building tool for NMIMS. It allows the companies to have a look at the talent at NMIMS, thereby strengthening Final Placements.

9.3.3 Internships are an integral part of the curriculum for securing the degree. It is a great learning platform for our students and goes a long way in shaping the learning obtained in the class room. This experience is of immense use to students to enable them to acclimatize themselves to the intricacies of the corporate world.

School/Area	Programs	Internships
Mumbai Campus		
Management	MBA, MBA HR, MBA Pharma, MBA Law, MBA E & FB, Integrated MBA E & FB, PGD-RECM	Management Internships of 6 to 8 weeks after the I year during vacation.

- 9.3.4 The project is expected to build on the theoretical learning with practical experience and help students to identify the gaps in their learning which they can attempt to fill in. They could also discover areas of interest and future career options.
- 9.3.5 Interactions during the internships both with other interns as well as employees help students to understand the expectations/needs of the organisation, the sector in general, to identify the gaps in their learning and in orienting oneself towards the sector and developing the required skill sets to emerge as the most suitable candidate.
- 9.3.6 Internships also hold a special significance as it is an apt mechanism for companies to spot bright talent early. Many companies have structured internship process which is used as a 'testing ground' to gain a direct understanding of the skill and ability of students leading to declaration of PPO's/PPI's. NMIMS too encourages candidates to work towards such offers that are based on internship performance.
- 9.3.7 Pre Placement Offer (PPO) is an Offer by the company to the intern acknowledging the excellent work done during the internship. Pre Placement Interview (PPI) is an opportunity by the company for the intern to be directly selected for the interview for final placements. Thus, the students should be careful in applying to the companies of their choice and should put in all efforts to convert the internship into an Offer. Thus, the seriousness of this cannot be overstated.
- 9.3.8 While feedback from the company is sought, the internship is also evaluated by School that could involve faculty guide monitoring the performance; periodic report submissions, evaluations, Viva Voce etc.

9.4 **Final Placements**

- 9.4.1 Leading companies across sectors aspire to recruit students of NMIMS. Each company has its own set of characteristics or qualities that they look for in a candidate. Hence, the company devises the eligibility criteria and selection process accordingly.
- 9.4.2 The process of selection starts with inviting applications based on the eligibility, profile, project, stipend/compensation details shared by the company. The applications of applicants are then sent to companies. Students are required to check their emails/Placement Portal/Student Portal, etc. regularly for information updates.
- 9.4.3 Every effort will be made to facilitate the placement process. However, it is the effort of the student that gets him/her selected for the job. Not getting selected for internships or during final placements in the first few companies should not lead to panic. Students are advised not to switch profiles in anxiety or haste.
- 9.4.4 Companies could have one or multiple rounds for selection – case analysis, group discussion, group exercises, interviews etc. Reasons like location, family issues etc. should not be constraints to students. They are expected to be mobile and have the capability to adjust and adapt and respond to emergent situations successfully.
- 9.4.5 Students who wish to drop out of the placement process are expected to formally notify the Placement Office vide the 'Opted Out Form' mentioning the reason, which could be higher studies, entrepreneurship, family business, seeking placements on their own giving with the names of such companies and details. The reason being, to iron out any hitches that may crop up later as the Placement Office approaches many companies and would like to continue the cordial relationship with them.
Each of the Schools will be sharing to the batch, guidelines related to Resume, PPT, Internships, PPO's/PPI's, Final Placements, etc. and it is expected that students follow the same. The School reserves the right to change, modify the guidelines in the best interest of the batch. Students are free to approach the Placement Office for any queries or guidance.

11 Feedback Mechanism:

- 11.1 NMIMS has a well-established online feedback mechanism through Student Portal for communication of perceptions. The components of this feedback mechanism are:
 - 11.1.1 Feedback at the end of the third week of every trimester/Semester. Dean / Director /Programme Chairperson/HOD will meet students personally, if applicable.
 - 11.1.2 Online Feedback through Students Portal is taken using a questionnaire preferably in the last session of every course in each trimester/Semester. This feedback is compiled and statistics are placed before each faculty member by the end of the trimester/Semester.
- 11.2 All students should get involved in this mechanism seriously as it truly helps the NMIMS improve the quality of services and teaching provided.
- 11.3 These are open ended questions in which student can reflect learning and teaching aspects of the course.
- 11.4 NMIMS uses feedback to improve the teaching learning process proactively.
- 11.5 While sharing the feedback to the faculty members, student's identity is kept confidential.

12 Mentoring Programme / 'Psychologist and a Counsellor':

12.1 Mentoring Programme:

Students (as applicable school wise) have been assigned faculty mentors whose role is to help assimilate the NMIMS culture, facilitate intelligent choice making regarding selection of courses and help in identification of resources needed by all students. Do meet your faculty mentor regularly as per their convenience and availability.

12.2 Psychologist and a Counsellor:

A counsellor is a non-judgmental friend who understands, ensures privacy and confidentiality and counsels you by giving choices so that you make the right decision. Counselling is based on realistic, structured and research based therapies.

Managing emotions is important to ensure all rounded progress in life. To learn something new, we need to break the old walls of myths and misconceptions. Visiting a counsellor helps us to relearn some more helpful, progressive, reality based thinking. Personal counselling is very important at every step in life even at the corporate level. What we think about situations affects our subconscious mind deeply which interferes with our present life and hinders our ability to lead a healthy life.

As normal human beings at any given time in life we could go through challenging times and have no one to share or guide us. We often do not share our issues with family or friends due to the fear of upsetting them. We worry that perhaps they may not understand or could become judgmental. At such times we recommend Personal Counselling.

- i. "I cannot concentrate or focus nor can I sleep, at times I get so scared that I go blank in my exams!"
- ii. "Since the time he left me I cannot put my attention to anything I will not be able to live anymore..... can't bear it if she is not in my life!"
- iii. "I have lost my confidence I feel worthless /hopeless; no one loves me. I don't want to live anymore"
- iv. Nobody understands what I am going through.... people become judgemental instead of understanding and supporting, whom to share it with?
- v. Where do I seek help? Who will be able to really help?

Have you had any of these repetitive thoughts or are you facing a rejection that you are not able to cope up with? Have you reacted very angrily first and then later realised that reacting to the event was not really needed and in the process you harmed the relations you had with your friends and family? You just do not know what went wrong then? Do not understand what triggered you?

Just as we would treat a sprain with some ointment, we try to heal our emotional pain on our own. At times when the sprain is not healing we visit the doctor and similarly one visits the counsellor sometimes when we are unable to clear our own emotional challenges. The counsellor needs to check how deep your wound is and usually you are helped by putting a plaster of protection (counselling). Sometimes the wound may have been too deep /chronic or your bone is broken it could also need psychiatric intervention and give appropriate help.

We may be unaware of the implications of our behaviour on others but it eventually could affect our relations in daily life at home, in class, or at work. When the past emotional situations are not dealt with therapeutically, we could develop unhealthy negative thoughts and feelings which we need to be aware of as they could again lead to complications and could affect our performance, decision making, logical thinking, studies, relationships, and career. This form of continued stress can gradually affect our body and physiological health causing hypertension, respiratory ailments, gastrointestinal disturbances, migraine and tension headaches, pelvic pain, impotence, frigidity, dermatitis, and ulcers.

The biggest myth is to believe that to be emotional is to be weak so often we push all our emotional issues under the blanket and then to avoid sleepless nights take up unhealthy habits like smoking, drinking, and substance abuse. We do this hoping to feel better which lasts only for short term on the other hand creating long term damage and may lead to unhealthy dependency.

NMIMS wants to ensure holistic development of the students and therefore have appointed a team of psychologists and a counsellor.

13.2 **Payment of fees:**

- 13.2.1 The promoted students for the subsequent years are required to pay the fees as per the email received from Accounts department. Late fee will be levied if fee is not paid within the due date.
- 13.2.2 Non-payment of fees within the stipulated time including the late fee period will attract cancellation of the studentship from that program.

- 13.2.4 If a student wants to take academic break after the commencement of the academic year, but he / she has not attended the classes and if the fee is not paid, then while seeking re-admission he/she has to pay the total fee (100%) plus 25% of the total fee as re-admission fee to continue his studentship.
- 13.2.5 If the student has paid the total fee for the entire year and then sought the academic break after commencement of that academic year in the middle of semester / trimester, then he/she has to pay 25% of the total fee prevalent at that time, towards re-admission in subsequent year.

Academic break	Fees to be paid at the time of admission after the academic break
<ul style="list-style-type: none"> • Informed before the commencement of the academic year. 	100% total fee prevalent.
<ul style="list-style-type: none"> • Informed after commencement, not attended classes and fees not paid. 	100% total fee + 25% readmission (prevalent).

A student can seek re-admission in next academic year, in case he / she fails to fulfill the criteria mentioned under passing standards in SRB. For this purpose, he / she has to pay 25% of the total fee prevalent at that time for that programme.

Student can take re-admission in the said year of the programme only once. He/she can take re-admission in different years as long as total period of the programme does not exceed the validity period of that programme. For example, for MBA the validity period is 4 years and for MBA Tech. it is 7 years, so a student can take re-admission maximum two times but in different progressive years of the program. Admission to the subsequent years is subject to maximum duration permissible for completion of the programme (in years). Such admissions will be at the students' own risk of non-completion of the programme during the maximum permissible duration (in years).

2	3 years	5 years
3	4 years	6 years

22. International Student Exchange Program Policy

22.1 Introduction

NMIMS Deemed-to-be-University has developed an extensive International Students Exchange Program in order to provide a cross cultural exposure and a global perspective to the students apart from classroom teaching. The Exchange Program has become increasingly popular with the students and every year students get a chance to spend Semester/Trimesters at a partner Institute. With the dedicated International Linkages department in place, efforts are underway to have larger number of students to avail of this unique opportunity in every school. Students at NMIMS also benefit from interacting with overseas students who visit us as part of NMIMS Inbound exchange program and International Immersions.

22.2 PREAMBLE

In a world that is increasingly interdependent, it is imperative for the NMIMS Deemed-to-be-University to have an internationalization agenda. This involves creation of a multi ethnic environment in our programs on our campus. This can happen only when students from different countries and communities join NMIMS programs.

This policy on internalization seeks to clarify the philosophy behind the NMIMS Deemed-to-be-University's Internationalization program and sets out the eligibility of students to apply for an international exchange program. It also sets out the selection criteria and guidelines for assessing applications and the expectations from the students going for the exchange program.

This policy also lays out the facilities for international students in our programs and also the expectations from them. We expect our foreign students to conduct themselves at par with other Indian students.

To aggressively pursue the internalization agenda, NMIMS has signed MOUs with leading Universities. MOUs applicable for NMIMS schools as given below:

Collect water containers, food, and ordinary and special medicines (for persons with heart complaints, diabetes, etc.). • Help people who are injured. Provide them first aid. Do not move seriously injured people unless they are in danger. <p>If you are outside</p> <ul style="list-style-type: none"> • If you know that people have been buried, tell the rescue teams. **School of Business Management
&**

**Pravin Dalal School of Entrepreneurship &
Family Business (SBM Initiative), Mumbai**

Heartiest congratulations to all of you on making to the SBM NMIMS for the MBA Batch of 2019-21. On behalf of all our faculty and staff at the School, I am delighted to welcome you to the NMIMS University.

I know you have been through a highly competitive selection process and many of you had options joining other business schools. But finally, you have chosen the SBM NMIMS. Congratulations. All of us at the SBM and your parents and families will take pride in your achievements and your decision.

You should be proud that now you are part of the four-decade-old legacy of the SBM which has been in the forefront of providing management education to develop leadership skills in a forward thinking and fast-changing business environment. I may say that you are also a proud entrant to the School which is now AACSB accredited by the AACSB International (The Association to Advance Collegiate Schools of Business). AACSB accreditation represents the highest standard of achievement for business schools worldwide, and this makes our School set itself apart, focus on a high level of quality, and earn global recognition. Our University has recently achieved Government of India NAAC Accreditation of A+ and Tier I graded autonomy status granted to 29 universities out of 900 universities in India. And you are part of this School now.

You are joining the SBM at a time when some significant changes are unfolding. Disruptive changes, internet of things, crypto ledger systems, AI are buzzwords that are here to stay. Several pilots initiated in these areas over the years would come to the implementation stage soon, and you all will see this significant change unfolding before your eyes. You would also be stepping into new environment of opportunities created by the introduction of 5G and challenges of trade war escalating in the global world. Therefore, you have an immense responsibility of making it sure that you prepare yourself to handle this complex formulations and business - strategies of the new age.

The School will provide and create opportunities for you to learn and equip to handle all these challenges. I am sure you will use the opportunity presented by the School, and you will make the best use of your time to hone the leadership needed in these areas.

You are about to set your foot into the learning eco-system and prepare yourself for the corporate world. You are going to experience the fantastic fusion of learning opportunities SBM has created for you. How you play with this fusion and prepare yourself depends on you and your determination. As they say in performing arts and sports that harder you practice, luckier you get. The same is true with management education. SBM is a place where the faculty believes in and focuses on experiential learning with the greater use of technological innovations. The efforts put together by our faculty and staff make it sure that you are trained to handle the decision-making business situations with greater success.

We at the SBM are committed to providing a solid foundation to your knowledge base, honing your valuable skills, helping you to understand what role the attitude plays in being excellent and why forming right habits are critical to becoming effective leaders. During next couple of days, you are going to hear a term called KASH (not CASH) time and again to make it sure that you understand the objective of pursuing your MBA Program – maximizing the KASH.

K and S create your talent pool and with right A and H ensures you create excellence all around. A and H is what you do with your critical assets of K and S. Without right A and H, K and S would be waste. While being here, among other things, you will be asked to create a balance sheet of companies, but you will also be reminded time and again how much KASH you added to your own balance sheet each day.

My faculty will ensure that while you are here, you not only understand the business dynamics and how to create excellence but emphasize how to be socially and ethically responsible managers with a global perspective. Our courses are designed to provide greater learning through feedback system and providing a hands-on experiential learning environment. The School creates opportunities to intern with well-known companies in India and work with social-sector organizations through We Care Program. This year our students interned with 229 companies and 265 social sector organization in locations across the country.

We at the SBM are hugely proud of our faculty and staff who do their best in creating excitement in learning. Our courses are based on their scholarly pursuit in a number of areas from marketing strategies, financial analytics and financial micro-market structures to an understanding of organizational, team and interpersonal behaviour, block chain encrypted technologies, communication, management information systems, and operations management.

But more important the SBM environment provides ample opportunities to all of you to pursue live projects working with companies and participate in various research initiatives focusing on business and management. Our faculty who has collaborated and continuously interact with industry and with various business leaders provide a unique opportunity for us to learn. You will experience that during your learning process you are presented a number of competitive business challenges. It only through by addressing and handling these challenges you will learn, demonstrate and showcase your understanding of integrating business concepts and frameworks in multidisciplinary settings. Working in teams offer opportunities for understanding the dynamics of team-based decisions and how to incorporate innovative skills and creativity crucial for success.

I invite you to explore the SBM learning environment by going through our program, curricula, requirements and course offerings and discover more about the SBM eco-system of learning. Are there any short-cuts? None. There are no short-cuts to genuine learning and pure excellence. Any student of music or sports will tell you that developing right attitude and great habits requires time, practice and patience. In the beginning, it will appear to you that space is our constraint (it is so in places like Mumbai), but you will soon realise that it is our precious ASSET. SBM space brings us closer; it tests our patience at times – an essential trait of leaders. Our alumni tell us that SBM fellows' inter-personal skills are of par excellence because we can create spaces when there is none. At times you may find that visiting the Juhu beach and walking on the sand gives an enjoyment no campus in India or abroad can provide. Listening to Beethoven music in the quadrangles during lunch time while waiting in the queue increases your dopamine, essential for learning and increasing memory power.

So welcome to the world of SBM – the bliss of learning and paradise of KASH.

Students Resource Book is a handy student's reference manual. Please go through it carefully to understand the academic rules and regulations.

Wish you very best

Happy Learning

(Dr. Ramesh Bhat)

Message from Director

"If your thoughts & actions inspire others to 'Dream big' 'Learn More' 'Do More' and 'Become More' you are Leader" - Seema Mahajan

Family businesses have been an integral part of any country's economy and society. The story is not different in India. These businesses, whether large conglomerates or medium and small enterprises, have contributed significantly to nation building, employment generation and overall wealth creation.

Family dynamics is the lever which determines how a family business is run. In the recent past we have seen how families are unprepared to handle conflict. In order to tide over other challenges, conflict management strategy is a must. The PwC's 2016 Family Business Survey reveals that only 15 % of the Indian family businesses had a robust, documented and communicated plan in place. This is an alarming number; and unless family businesses are able to administer processes to ensure business continuity and create succession plans around senior roles, key functions and important locations, the threat of disintegration will continue to mar its reputation.

Our Pravin Dalal School for Entrepreneurship and Family Business management (SBM'S Initiative), at NMIMS, being the pioneer and in the segment for more than a decade, understands the emerging needs of family run businesses in these challenging and turbulent times. We were also amongst the first few to understand that thinking and acting entrepreneurially is more than just an inclination. It can be taught. And we do it better than anyone else because we have a global outlook along with customized approach for catering to Indian family run businesses.

We believe that entrepreneurship can be a powerful force within organizations of all types and sizes, in established businesses as well as in new ventures. In any industry, in any position, it takes entrepreneurial thinking and relative action to solve problems and make an impact.

The School has a vision to be amongst the top 50 in the World at enabling the development of leadership skills, for sustainability and scalability of their respective family run businesses. Today in our collaborative community at NMIMS, students gain the fundamental business skills and specialized knowledge necessary to cultivate an entrepreneurial mind-set. They then use that mind-set to navigate real business situations, putting what they learn into practise and becoming leaders equipped to make a difference on campus, in their businesses and around the world.

The programs MBA E&FB (2 years' full time) time since 1999, Integrated MBA E&FB (5 years post 12th) since 2015, ETW, and Weekend FMBA since 1999 at our School focus on technical and strategic competence, self-awareness and moral judgement. Our balanced curriculum keeping in mind the Indian family businesses, their values and professional challenges has been designed in such a way that it offers students a blend of skills and capabilities that are at the heart of management, along with their values and beliefs.

NMIMS Pravin Dalal School of Entrepreneurship and Family Business Management has continuously worked in fortifying the SME sector in India. Today we have over 4000 alumni who are names to reckon with in this sector. Many of them have started their own ventures and triumphed. It has been our endeavour to customise the latest in management studies for family businesses and make it relevant to the ever-changing demands of a fast-paced economy like ours. The School's motto is to provide intellectual capital to those with easy sources of capital so that family business is professionalised and commands the due respect that it deserves.

The Intensive International exposure at the right time of their career while they are academically geared, helps them to build a global perspective and thereby lead their scalability strategies.

I am sure, the journey of students here at NMIMS will be an unparalleled experience of intensive learning which will lead to a record of outstanding accomplishments in all walks of their life along with providing a deeper perspective to the ideas and practice of management of respective Family run businesses and new ventures.

I wish to thank each and every "Entrepreneur" for believing in us and trusting us completely.

Code of Conduct for SBM/ PDSE & FBM Students

SBM/ PDSE & FBM students are covered by the SBM / PDSE & FBM code of conduct. Students are the School's ambassadors and are required to display proactive and positive behaviour. SBM / PDSE & FBM Students behaviour should be based on the core values of

- a. Respect for others
 - b. Integrity
 - c. Empathy
 - d. Cooperation
1. Students are responsible for maintaining appropriate professional and interpersonal behaviour on campus.
 2. Students must adhere to formal and professional email etiquettes while corresponding with University / SBM/ PDSE & FBM Faculty and Staff.
 3. Students are required to display appropriate and sensitive usage of Social Media and Mass Communication Tools across their student journey with SBM/ PDSE & FBM
 4. Students are expected to have regular and disciplined interaction with Faculty Members, SBM/ PDSE & FBM Staff and fellow Students.
 5. Students and graduates (alumni) are expected to uphold the highest standards of academic integrity. This means that material created by students as part of assignments, projects, case analysis, case notes should not be transmitted in any form to other students, either during or after the programme, as it is part of the School's IPR. This also applies to uploading any such material on public or private forums on the internet or mass communication platforms or P2P sharing platforms. Breach of the above guideline might result in punitive action against the individual.
 6. Students may take guidance and counselling from the faculty members, counsellors or staff on issues relating to acceptable and unacceptable behaviour.

Any breach in expected code of conduct for students leads to severe consequences including being referred to Disciplinary Committee. Adverse behaviour may impact consideration for Dean's list and scholastic awards, student leadership positions on campus, final placement and internship opportunities, amongst other possible actions by the School.

1. Academic Guidelines: Academic Guidelines (In continuation to pt.4 of Part D):

- 1.1 The components of evaluation for any course of all the years of Full Time programs would be as follows:

Half credit courses to have at least 3 evaluation components; however, 4 evaluation components are ideal and desirable. This will not be applicable for courses conducted in the workshop / Project mode. Internal evaluation will not be repeated.
- 1.3 The mode of the Term End Examination will depend on course objective.
- 1.4 End-term examination is a compulsory component. However, it is optional to have Mid-Term Examinations. The prior approval from Dean SBM/ Director is required for absence from Mid-term / End-term examinations.
- 1.5 Duration of examination
 - i. Minimum duration of Mid –Term Examinations: 1.5 hrs
 - ii. Minimum duration of End-Term Examinations: 2 hrs
 - iii. A full 3 credit course will comprise of class room teaching for 20 sessions of 80 mins each.

 - i. Full Credit course: 100 points
 - ii. Half-credit course: 50 points
- 1.7 The total points for each course (with maximum what can be assigned) will be divided in Internal Continuous Assessment and End Term Examination (60:40 ICA: TEE ratio). ICA has various components which may include the following:

A+	4.00
A	3.75
A-	3.50
B+	3.25
B	3.00
B-	2.75
C+	2.50
C	2.25
C-	2.00
D	1.50

- 1.10 The candidates who resort to unfair means and who are required to appear at re-examination due to involvement in adoption of unfair means (as penalty) will get C+ or actual grade whichever is lower in the re-examination.
- 1.11 The objective system of assigning the Grades would be based on relative performance of students in the batch. The relative grading system will be followed for the same. The distribution of grades based on relative system ensures that not all students are placed under one grade. The letter grades for a course would be calculated by software/ computer system on the basis of the Passing Criteria

Clearing the workshop evaluation will be compulsory.

5 **Course of Independent Study (CIS)**

5.1 SBM NMIMS will offer a scheme for course of Independent study for MBA Programme – II year students as a part of elective courses. CIS courses are exceptional instruments designed for advanced learning rather than serving substitutes for regular courses. The academic capability of the student (reflected in CGPA), ability to pursue advanced work (as endorsed by the CIS Guide) and the relevance of the area of study to the career of the student (as demonstrated or organized in the proposal) are the indicative criteria for allowing CIS courses. A CIS must follow the primary course on offer. A CIS cannot be taken up on a course that is going to be covered in the subsequent courses. The CIS comprises an investigation and necessarily involves collection of primary data and its analysis, leading to a written report on a course accepted and approved by the area in charge.

5.2 CIS is a course that a student co-designs and pursues under the guidance of a designated instructor to explore an area or course of knowledge that is not adequately covered through the normal elective courses on offer. By this very logic, a CIS is a privilege and not a right for the intending student, which is made available under exceptional circumstances including the following:

- i. The student has demonstrated through his/her past academic performance, a preparedness to pursue an advanced course of investigation in the area of his/her choice.
- ii. The course matter of study is relevant for his/her career aspirations within the overall academic objectives of the MBA Programme.

- iii. The course matter is not adequately covered in the choice of elective courses on offer. The relevant area approves the offering of the CIS and a faculty member from within the area is willing and available to help with the design, delivery and evaluation of CIS.
- 5.3 The student(s) who wish to pursue a CIS will indicate such intent right at the time of exercising his/her choice of elective courses for the entire year. They will be responsible to make a good case why they should be permitted to pursue a CIS. Their request for CIS (preliminary proposal) at this stage should include the following:
- i. Proposed Title
 - ii. What you wish to study and under what area of specialisation does your topic belong (Please note that even where the CIS is cross-functional in nature, it has to belong to one primary area for guidance and evaluation)
 - iii. Why do you think it is important for you to undertake this course?
Why do you think it is not covered under any elective(s) even when it is so important?
- 5.4 A prescribed application form for CIS will be available in the Academic Office. Please complete this form and enclose your preliminary proposal and submit it to the Academic office before submitting your final choice of electives for terms IV, V and VI.
- 5.5 These preliminary proposals would be forwarded to the Area Chairpersons for their consideration and discussion at the area level. The Area Chairperson will intimate the approval of CIS proposals together with the name of the faculty guide to the Academic office as soon as possible but definitely before the final registrations for term-IV begins. The area Chairman will also provide to Academic office the timeline for the course in terms of stages like submission of final proposal, submission of course report, date of oral defence, panel of area members (3 members including the CIS guide) who would evaluate the course and the evaluation scheme.
- 5.6 Academic office will intimate to the concerned student the name of his/her faculty guide as approved by the area. The student would have the option to take up the CIS or not till his/her final registration for term-IV or Term-V is open.
- 5.7 The responsibility for getting the CIS going alongside the faculty guide is that of the student. The finalization of proposal and meetings with faculty guide and other course related interactions are also left to the initiative of the student.
- 5.8 Three copies of the CIS Report must be submitted to the Academic Office. If any student fails to submit his/her CIS Report on or before the stipulated deadline for submission, no extension will be granted and a grade of 'F' will be awarded. A student will also be required to give a formal presentation in presence of an Evaluation Committee on the date specified. This presentation will be open to SBM faculty and MBA program students besides faculty members of that area. In case the Evaluation Committee is not satisfied with the CIS Report and presentation, it reserves the right to ask the student to re-write a part or whole of the report. However, in this case, the student will be awarded a maximum grade of B+.
- 5.9 The grade obtained in the CIS is taken into account for calculation of student's CGPA just like any other full credit course. No 0.5 credit, 0.75 credit or 1.5 credit CIS are permitted.
- 5.10 A student cannot have more than one Course of Independent Study under any circumstances. The CIS Course can also be considered as part of required courses for concentration in an area and will not be considered for arriving at decision to award any scholarship and/or medal.
- 5.11 **Step-wise process of Course of Independent study (CIS)**
- i. CIS is a full credit Course. A student can take up only one CIS in lieu of an elective.
 - ii. In MBA Programme – II year, CIS can be pursued in term IV and V only. No CIS can be carried out during VI term.
 - iii. First year students, who wish to take up a CIS in second year, should submit their proposal to the Academic office.
 - iv. The Area, if satisfied with the proposal, will nominate a faculty for the respective CIS keeping into consideration the area of interest expressed by the students and area of expertise of the faculty.
 - v. The Area may reject the proposal or may propose amendment to the proposal and ask the student concerned to resubmit the proposal.
 - vi. The entire exercise of acceptance of the proposal and nominating faculty for the CIS should be completed and communicated to the Academic office by the Area Chairperson. The dates will be announced by Academic office.
 - vii. Students who do not receive any communication by said dates should contact the Academic office immediately.
 - viii. Students carrying out CIS should circulate a reading list, duly approved by the guide, to all the Area members (with a CC to Academic office) within 7 days from the beginning of the respective term (term 4 or 5).
 - ix. Students have to submit the CIS report to the Academic office before the 'end term examination' of the term in which the student undertakes the CIS.
 - x. No extension of time for submitting the report will be allowed.
 - xi. On receipt of the report, the Academic office will get in touch with concerned Area Chairperson and the Guide to finalize a date for presentation by the student.
 - xii. As part of the evaluation of the CIS, a presentation will have to be made to the expert panel. Presentation

once made will be final. No students will be allowed to make presentation more than once.

10 SBM/ PDSE &FBM Alumni Association

The Alumni Cell of NMIMS was formed in the year 2002 and has been active since then. The Alumni cell SBM/ PDSE &FBM

NMIMS is a student body working under the aegis of the NMIMS Business School Alumni Association and the institute. It strives to strengthen ties between SBM/ PDSE &FBM, NMIMS and its esteemed alumni community.

The Alumni Cell, and the School of Business Management, NMIMS have helped to formed the “NMIMS Business School Alumni Association” under the Section (25) of the Companies Act, 1956. It was incorporated on 13th July, 2011 as a platform for encouraging promotion of alumni related activities. It enables the alumni to extend their support for various activities related to institution building. The Alumni Association provides opportunities for the alumni to participate and contribute to the continued growth and development of the institute, thereby strengthening alumni- institute linkages.

The quality of alumni relations is a significant criterion by which success of the Institute is measured and at NMIMS we constantly strive to attain it.

A strong mechanism of communication has been setup with the alumni on a day-to-day basis, which involves informing them about special achievements by our alumni, activities held at the institute, job postings, regular database updates, invites to events, responding to their queries and so on. Moreover, to ensure effective communication and interaction between the alumni of various batches, the Alumni Portal, alumni.nmims.edu a social networking platform, is operational. The monthly e-newsletter, Aluminous, informs the alumni with the latest developments in the institute and to make them feel a part of it. Moreover, the Alumni Cell facilitates other cells of the Institute like Student Council, Finomenon, Adverb by providing alumni contacts. The cell involves the alumni in the admission process by having the alumni as panelist during the CD-PI process. Every year many Alumni have been invited to college to judge events and as speakers for seminars, thereby increasing the student interaction with our alumni. The Alumni Cell Conducts Round Table Conference which is a fortnightly event wherein Alumni are invited to share their industry experience, work experience and domain Knowledge with the students. The Alumni cell under the guidance of NMIMS Business School Alumni Association has launched “Lead the Way” a mentorship program in the year 2012 with an aim to enhance the interaction of the alumni with students. The Alumni Cell also helps in organizing the following Alumni Meets across the globe:

- Mumbai Meet - Annually
- Chapter Meets (Delhi, Bangalore, Chennai, Kolkata and Hyderabad)-Annually
- International Meets (Dubai, New York, Toronto)- Annually
- Coffee Meets “connecting over Coffee” (Mumbai, Delhi, Bangalore, Chennai, Kolkata and Hyderabad)- At least twice a year

13 Examination Guidelines

13.1 EVALUATION & GRADING

- The respective subject faculty would evaluate the performance of the students during the examination of the respective subject. A student would undergo continuous assessment for each course/subject in all the trimesters. Various components of such continuous assessment would be as decided by the respective course/ subject teacher/ faculty and approved by Dean /Director of the school concerned.

Break up continuous evaluation of each course will be as under:

Component	Marks
Unit Test / Project / Assignment / Presentation / Weekly Tests / Case Study / Quizzes / any other (School)	60
Final term / Trimester End Examination (University)	40
	100

PASSING STANDARDS FOR EACH SUBJECT:

Trimester end exam Passing Criteria for each Course:

- To pass in a particular subject in any of the trimester end examination or trimester end re-examination, student must secure a minimum of one-third marks of the total maximum marks of that subject, in the trimester end examination.
- “F” Grade would be awarded, where marks obtained are less than 40 (39 and below) in aggregate or where the marks obtained in the trimester end examination are less than one-third of the total maximum marks of the respective course. □ Students who fail to fulfil above passing criteria would be awarded ‘F’ grade.

Students who obtain marks between 40 and 49.99 would be awarded ‘D’ grade (low pass). Please refer ‘Grading’ scheme given below.

13.2 Grading System

The following would be the letter grading system leading to the award of a four-point Grade Point Average (GPA) for each term and Cumulative Grade Point Average (CGPA) for all the terms until date.

Method of calculation of letter grades for batch size of 25 and above

a) Wherever the course is taught by one faculty in one or more divisions

Grading will be done after considering the marks (i.e. aggregate of internal continuous assessment and trimester end examination marks) obtained by each student of the entire batch for the course sharing common paper, **by fitting such marks into normal distribution curve.**

- Maximum marks assigned by the faculty concerned for a course will be taken into account for the batch / group.
- For the purpose of assigning grades, the following table would be used.

Letter Grade	% of class
Grade A	35 percent of batch excluding Grades D & F
Grade B	50 percent of batch excluding Grades D & F
Grade C	15 percent of batch excluding Grades D & F
Grade D	Where marks obtained are between 40 and 49
Grade F	i) Where marks obtained are less than 40 (39 and below) in aggregate and/ or. ii) Where the marks obtained in the trimester end examination are less than one-third of the total maximum marks of the respective course.

b) Method of calculation of letter grades for class size of less than 25

For the calculation of grades, the following guidelines would be observed:

- Maximum marks assigned by the faculty concerned for a course will be taken into account for the batch / group.
- Difference between the maximum marks and 50 marks would be calculated.
- The said difference will be equally divided into slabs of nine letter grades (i.e. A+, A, and A-, B+, B and B- and C+, C and C-)
- 'D' grade will be assigned to students, who have obtained marks between 40 and 49.
- 'F' grade will be assigned to students who have obtained marks less than 40 and / or to the students whose marks in the trimester end examination are less than one-third of the total maximum marks of the trimester end examination of the respective course.
- Grading will be done on the basis of marks obtained by a student in each course which will be fitted into the above slabs of letter grades

Here A will include A+, A and A-, B includes B+, B and B-, C includes C+, C and C- as given above, while calculating the letter grades for each course of the students.

c) In case of elective courses, the number of students for that course would be considered for the purpose of assigning grades for that course.

13.3 Method of Calculation of GPA:

Grade Point Average for a term will be computed by dividing, the sum of product of grade point of each Course / module and credit value assigned, to each respective course by the sum of credits assigned to all the courses/ modules for the related term.

$$GPA = \frac{\sum CG}{\sum C}$$

13.4 Method of Calculation of CGPA:

Cumulative Grade Point Average upto and including a term will be computed by dividing the sum of product of grade point of each course/ module and credit value assigned to each respective course by the sum of credits as signed to all the courses/ modules upto and including the related term. **Here:**

C = Credit value assigned to a course/ module

G = Grade point value assigned to a student for course/ module corresponding to the letter grade (refer table given)

GPA: Grade Point Average shall be calculated for Individual term.

CGPA: Cumulative Grade Point Average shall be calculated upto and including each term till date.

13.5 RE - EXAMINATIONS:

- Re-Examination will be conducted immediately after Term End Exam for the students, who may have obtained

'F' and/or 'D' grade, immediately after Term End Exam.

- The maximum grade that a student, in such a case, can obtain for such course will be C+.

Eligibility of a candidate to apply and appear for re-examination will be as under.

- Re-examination would not be allowed if any student has obtained 'D' due to non-fulfilment of attendance criteria.
- The candidates who resort to unfair means and who are required to appear at re-examination due to involvement in adoption of unfair means (as penalty) will get C+ or actual grade whichever is lower in the re-examination.
- Improvement in the internal assessments will not be allowed for re-examination purpose.
- If a student fails in project, one attempt is allowed to re-submit the project. However, the re-submission should happen prior to re-examination scheduled for the academic year.
- A student who does not fill in online re-examination form will be denied permission to appear at the examination.
- Students submitting re-examination form will be awarded AB / F grade if he/she remains absent.

- For medical cases, he/she will have to necessarily produce a certificate from a Medical Practitioner along with required pathological / Diagnostic reports and prescriptions before the commencement of the re-examination.
- For exceptional cases all necessary relevant documents to be submitted before the commencement of the re-examination.
- In case a student fails to fulfil passing/ progression conditions, after the re-examination/s, he/she is expected to take readmission as per the rules of SBM/ PDSE &FBM, NMIMS.
- No further re-examination chance will be given to above mentioned exceptional cases.

- His/ her total cumulative grade should not be less than 2.25 at the end of the first year and also at the end of program (to be calculated after re-examination)

13.8 NON-FULFILMENT OF THE ABOVE REQUIREMENT RELATING TO D AND F GRADES:

- The written re-examination for all the students of first year who have obtained 'D' and/or 'F' grade (as per rules of passing standards) will take place immediately after declaration of result of final trimester end examination. The grade that a student can get in such a case, for such course will be C+ or actual whichever is lower. The result of the re-examination will be treated as final and binding on the students.
- Any student who has been awarded maximum up to 4 "D" s has an option to remove all the "D" s in case he wishes so. The norms of removing the same will be as given above. The grade that a student can get in such a case, for such course will be C+ or actual whichever is lower.
- A student obtaining up to two "F" grades in credit courses must necessarily pass the "F" grade by appearing at a re-examination. If the student is not able to clear "F" grades even after this chance, he/ she is expected to take re-admission as per the rules of SBM/ PDSE &FBM, NMIMS.
- Students appearing for the re-exams (as per the rules of passing standards) will be given provisional admission to the next trimester of the program. His/ her admission will be confirmed only after declaration of the results of the re-exams.
