Note: Candidates to refer Important Dates of the respective programme.

### Information Handout

- 1. Introduction:** NMIMS, since inception, endeavours to remain ahead of time by initiating and updating unique academic curricula in anticipation of expectations from industry. The predominant objective of designing such programs always remained to make students future ready with application-oriented knowledge and skills for successfully handling leadership responsibilities.

As we move forward professionals involved in legal, consulting, risk and compliance roles will need to have deeper business insights. They need to be well versed with functional elements of corporate strategies, marketing, finance, operations and human resource management, organizational dynamics, business risks and mandates for compliance in a modern business. Deeper business insights would help these professionals deliver on the mandates of inclusive growth, equity and ESG efficiencies in an interconnected world. Additionally, they require appropriate soft skills and emotional Intelligence for to work in corporate

environment with internal and external stakeholders. The objective of MBA (Law) program is to present such future-ready students to industry.
